Year 3

Year 3 have all enjoyed a wonderful Peter Pan themed week. The highlight was a fantastic Peter Pan panto, such a festive treat and another wonderful Barcroft memory. Throughout the week we've written character descriptions, created maps of Neverland, made Captain Hook 'wanted' or Tinker Bell 'missing' posters and learnt 'The Shadow' poem to recite. We've also practised our sketching skills, learning how to draw facial features. In Maths we've concentrated our efforts on learning and applying the 3 and 10 multiplication and division tables. Please follow our twitter feed. [@WBJYear3](https://twitter.com/WBJYear3)

Year 4

This week Year 4 have enjoyed our Peter Pan theme week and have been writing about character descriptions and making our own kennings poems. In Art they have been using their sketching skills to draw the characters from Peter Pan. In Maths we have been consolidating our times table knowledge and have been practising our 7 and 9 times table.

Year 5

This week the children have thoroughly enjoyed being immersed into the story of Peter Pan. They have used their sketching skills and techniques to sketch their favourite characters. They have investigated the history behind the story and how this impacted the story itself. They have explored the key morals and created beautiful quotes. Science skills have also been covered as the children planned their own enquiry to make the best shadow for Peter Pan. [@WBJYear5](https://twitter.com/WBJYear5)

Year 6

This week, we have concentrated on two things. First of all, we have done a lot of literacy work based around Peter Pan, writing some amazing poems inspired by the performance on Tuesday! We've also investigated sound in science, and even conducted our own experiment. [WBJYear6](https://twitter.com/WBJYear6)
