Break up for Summer

### Twitter hashtag of the week

#CaptainTom100

### Photos

The photographer will be in school on Friday 11<sup>th</sup> June taking our class and group photos.

### Week Ending 30.4.21

It's been another busy week in school this week. Year 6 have now completed their bikeability, so well done to all children involved. It's also been lovely to speak to children together in their year group assemblies, and these will be where we will present all awards from next week. Our new accelerated reader system is working really well; please keep encouraging your child to read as many times per week as they can. Remember it's a long weekend this week: have a lovely bank holiday weekend everyone!

### What have we been Doing? Follow @WBJuniorSchool

#### Year 3

This week in Year 3 we have continued looking at fables in literacy. We have learnt how to recognise and punctuate speech accurately. Ask your child what a 'moral' is. In Topic we are looking at nutrition and how to keep ourselves healthy. We have looked at the nutrients that we gain from different food groups and what amounts of these we need to properly fuel our bodies. Please follow our twitter feed for daily updates! .@WBYear3

#### Year 4

READ ALL ABOUT IT! This week, year 4 have written newspapers which revealed the release of 5 golden tickets for Wonka's factory! The children have been developing their decimals skills by ordering, comparing and rounding. During the afternoons, we have been investigating during our Science week. We have discovered that gases DO have a weight and all materials are made from a state of matter. Ask us about our experiments this week. @WBYear4

#### Year 5

This week year 5 has been looking at the damage caused by plastic getting into the oceans and have written reports about this in Literacy. Reading is on the up with more and more children completing their book and wanting to quiz!! We have launched our Ocean and Rivers topic and have learned some specific vocabulary and terminology and used atlases to locate seas and oceans. Ask your child how many they can name.... @WBYear5

#### Year 6

This week in year 6 we have done some amazing work across the year group. 6ES completed their bikeability on Monday and Tuesday whilst 6RB and 6B finished off the Water Tower book. Since then, all of the classes have continued their investigative work in science, worked with angles in maths and started our next text in literacy - Romeo & Juliet. @WBYear6

### Parents' Evening

This term due to Covid restrictions, Parents' evening will again be held via the telephone. Please look out for a letter next week asking you to book in a convenient slot with your child's class teacher. The appointments will take place during the final week of this half term (week beginning Monday 24<sup>th</sup> May).

## PE Timetable

### Year 3

Tuesday & Thursday

### Year 4

Wednesday & Thursday

### Year 5

Tuesday & Friday

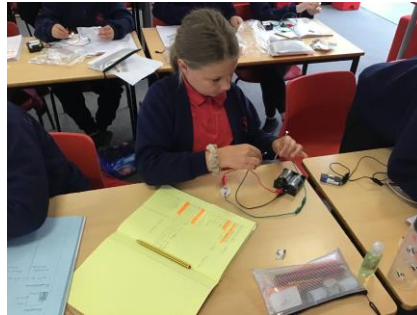

### Year 6

Monday & Friday

## PE Shoes

Please could children bring a spare pair of shoes for PE and a spare bag to put them into to bring home

## Which Materials conduct electricity?

## Learning Mentor Update

As more children and young people spend money online within gaming and social media platforms, the money hub from Internet Matters has been created to equip children with the skills they need to spend money online smartly and safely.

<https://www.internetmatters.org/resources/online-money-management-guide/>

## Attendance Totals in each class this week

3LC	3B	3J	4HS	4F	4S	5BL	5A	5S	5F	6RB	6B	6ES

## Reading in each class this week

3LC	3B	3J	4HS	4F	4S	5BL	5A	5S	5F	6RB	6B	6ES
88%	72%	76%	80%	100%	100%	95%	90%	100%	100%	100%	85%	79%

## Captain Tom

Friday 30<sup>th</sup> April – Monday 3<sup>rd</sup> May celebrates the amazing achievements of Captain Tom and everyone's invited! Please share your #CaptainTom100 challenges on Twitter.

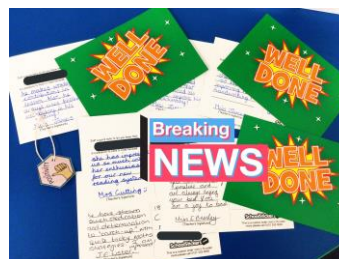

Let the number 100 be your inspiration and do something amazing, whether it's...

- 100 star jumps
-  100 laps of your garden
-  100 minutes of gaming
- baking 100 cupcakes
-  singing for 100 minutes

Anything goes!

## Postcards

If you are lucky enough to receive a postcard from your teachers over the weekend, please tweet us your pictures or bring to school and ask your learning mentor to do this for you!

## Pen Licence

Lots of children are really upping their game in handwriting with a record 30 applications this week alone! Speak to your child about their handwriting and whether they're aiming for a pen.
