The Week Ahead 4.12.20

We have an exciting week ahead with our Peter Pan Panto Day on Tuesday 8th December. Children can dress up as a character from Peter Pan or come in or school uniform only.

Christmas Jumper day continues every Friday and if they wear a festive jumper then children are also able to wear jeans/joggers/leggings with it.

Unfortunately, we cannot visit the church this year but we are enjoying exploring religion in school.

What have we been Doing? Follow @WBJuniorSchool

Year3

This week in year 3 we have had an RE week looking at the differences between Christianity and Judaism and how the two religions celebrate and remember their upcoming festivals... Christmas and Hanukkah! In maths we have been looking at the 2, 5 and 10 times tables with lots of practice including using BBC Super movers and in literacy, we began to look at shape poetry and what makes a fabulous piece of poetry. @WBYear3

Year 4

Year 4 have been working hard this week with their assessments. They have shown how fantastic they have settled back into school this term and we are very proud. We have been learning our 6 times tables and how we can use our 3's to help us. In literacy, we have read 'The Real Story of the Three Little Pigs' and thought about how we could adapt this to the Peter Pan story. On Friday, we have created an ICT project all about 'The Zoo', looking at where zoos are in the UK, which animals are there, how they have adapted over time and how we can help save those that are in danger. @WBYear4

Year 5

This week in year 5 the children have enjoyed art week: they have practised their sketching skills and experimented with a variety of mediums. The focus has been around characters from Alice in Wonderland. The children choose their favourite character and created a piece of art based upon it. They thought about the mood they wished to create and choose techniques to help them achieve this. They have also learnt about the illustrators Quentin Blake and John Tenniel. @WBYear5

Year 6

In six, this week we have worked really hard in the mornings undertaking mock SAT tests. This is to see exactly what the children know now that we have almost finished a term. We have then worked on a brilliant art project week during the afternoons centred around sketching and the war. We have used artists such as Henry Moore and Pablo Picasso for inspiration. @WBYear6

Parents/Carers can request access to online training by emailing Young Minds Matter on lpft.ymmsch@nhs.net or phoning 01472 252570.

Reading

It is really important that your child read a minimum of 3 times per week. We have lots of children reading much more than this but others who aren't even doing 3 reads. As a school, this is part of our home learning and do not set any other homework. Please ensure your child reads at least 3 times - it is vital to develop good reading habits and stands them in good stead for later in the world of work.
