

Dear Parents/Carers,

Well what a busy term this has been! I am so proud of the way that the children have adapted to the changes in the way that learning has been delivered this term and how they have settled back into routine so quickly now back in school. We thank you again for your continued support with the many challenges the pandemic has brought for us all.

Thankfully we have managed to limit our bubble closures to two small classes this term, and let's hope this continues after Easter. If in the meantime someone in your house does test positive for Covid, within 2 days of school closing, please message me at [sargents@williambarcroft.ne-lincs.sch.uk](mailto:sargents@williambarcroft.ne-lincs.sch.uk) so that we can engage with test and trace and ensure close contacts have been informed. If symptoms or a positive test occur more than 2 days after school has closed, this does not need to be reported to us; instead please follow the tracing instructions provided by the NHS Test and Trace.

In order to give us the best chance of minimising the impact of any outbreak, we will continue in our current bubbles and with the staggered times after the holidays. This is under constant review; however, we don't want to undo the good work done by mixing too quickly.

Clubs will continue after Easter, and if your child currently has a place you don't need to do anything, this will simply continue on the same night after the holidays. If you would like your child to join, please give the office a ring and we will be able to let you know if there are places left. Currently club nights are:

Monday – Multi sports Year 6  
Tuesday – Multi sports Year 3  
Wednesday – Multi sports Year 4  
Friday – Multi sports Year 5

I look forward to welcoming the children back on Tuesday 20<sup>th</sup> April, and wish you all a very happy Easter

Kind Regards
