

11.9.20

Dear Parents and Carers,

William Barcroft Junior School will be taking part in this year's **Jeans for Genes Day** on **Friday 18th September**.

1 in 25 children has a genetic disorder that makes their life very difficult. That's one in every class. Simply by wearing our jeans and donating, we will change the lives of these children.

All children and staff are invited to wear their jeans on **Friday 18th September**. We'd like everyone to take part so please send your child into school on the day wearing their jeans and with a 50p donation.

Jeans for Genes Day have a series of powerful films to explain how your child's donation will make a difference. We will be showing children these short videos which provide a compelling and personal insight, introducing some amazing children living with genetic disorders and sharing first-hand what life is like with their condition.

If you'd like to find out more about how your support will help, please visit their website at **jeansforgenes.org**

Thank you,

WBJs
