

Dear Parents & Guardians,

I hope you are all safe and well. Thank you for all your support as we have moved into being a virtual school in the short term until it is safe to return to school and a more normal life. The team are all working hard providing online learning opportunities, planning for the return and meeting online to plan how to support you and your families the best we can. We really appreciate the positive comments and messages.

Thank you for all your Twitter engagement - we love to hear from you all. Your children will all enjoy receiving the letter from their teacher this week and we hope that some will write back a message or a letter to let us know how they're doing in lockdown. The next people to write will be the Learning Mentors and they'll write to their year group. Kate Wood will write a letter to share with all the school families as she works across all year groups in school.

From tomorrow, your children will receive a brief (five minutes maximum) phone call from their class teacher weekly. This is just a catch-up and a chat - they cannot wait to hear their voices! If your child is on the SEND register, Rachael Cadey will also call over the next few weeks and Kate Wood will continue to make the usual Pastoral calls to make sure everyone is okay.

How did you find the weekly learning summaries? I hope they helped you. If you have any ideas how we can further support you whilst you are at home contact us to let us know. Also, just let us know if you require a further work pack to be emailed to you - email us on the office email and we'll get it straight out to you. Please continue to follow us on Twitter, let us know how we can support you further and keep reading!

Please stay safe and we hope to see you very soon.
