

Dates for your Diary 2018

Friday 28th September

Macmillan Coffee Morning

9:00am

Year 5 trip to Normanby Hall

Monday 1st & 8th October

Parents' Maths meetings with

E. Price

Monday 16th October

Year DT cooking workshop

Year 4—Portals to the past
workshops

Friday 19th October—Monday 29th October

Half term

News Update 28.08.18

Thank you to all parents who came in for a chat and coffee this morning to support MacMillan Coffee morning. And for all the donations of cakes that were brought in. We'll let you know next week how much we've managed to raise as we still have some cakes to sell!

This fabulous cake was donated by a parent and we have raffled it off.

The winner will be chosen and notified. Thank you!

Flu Vaccinations

All children in Y3, 4 and 5 should've received a consent form this week for a flu vaccinations that is now done in school. All children are entitled to the vaccination and these will start in school on 1st November. Just about all of the flu vaccinations will be given as a nasal spray. This short clip gives an accurate demonstration of the flu vaccination given in the school setting:

https://www.youtube.com/watch?v=g0QZ_tj2DPA

A good website for accurate and up to date information on immunisations is www.vk.ovg.ox.ac.uk This website allows you to read the research papers on vaccinations if you wish to. It gives information on vaccine ingredients, safety and side effects.

What should be have in our packed lunch?

It's sometimes hard to get the right balance as to what we should put in our children's packed lunches. At WBJs we try to promote healthy eating as far as possible and realise that sometimes there are just some things children do not like. However, we ask that fizzy drinks, sweets are not out into children's lunches. For ideas on what to put in them, visit : <https://www.bbcgoodfood.com/howto/guide/school-packed-lunch-inspiration>

E-Safety

Adults on site

It has been brought to our attention that some adults have been heard swearing on site. Can we remind you that swearing is not acceptable on school site and if heard in the presence of staff, this could result in a ban from site.

It has been brought to our attention that some children have been using an app whereby they can talk to other people they may not know. Are you aware of the APPs your children use and what they do?

Mr Berry is our Esafety expert and if you need to speak to him regarding any apps or

appropriateness, please get in touch. For more information visit: <https://www.internetmatters.org/advice/apps-guide/> which is a glossary for all the different APPS.

This week's reading totals:

Thank you to all of you for doing your three reads this week and getting these signed!! Reading is such an important life skill and we rely heavily on being able to read for everything we do in life. Some classes have maintained their high scores whilst others have dipped a little. The % show the children who have read three or more times so the remaining totals are those children that haven't managed this yet!! If your child has been absent when reading records were checked this could contribute to not having the required amounts of reads! Well done Y5 for maintaining those high totals and Year 6 for a
