### FACT 4

Using a Defence Spray coats the hair in a thin film that deters lice over an eight hour period.

### FACT 3

A head lice life cycle lasts 38-45 days - making it necessary to repeat treatments to fully break the cycle.

### FACT 1

In a lifetime, a female louse can lay up to 120 eggs and it is difficult to kill all the eggs present when the infestation is first treated.

### FACT 2

Nits hatch 6-10 days after being laid, continuing the life cycle and making infestation often an ongoing problem.

## Book Bus

We have a huge bus coming to school for a full day on 13th December! The bus will be full of books for children to buy. The Book People always have a fantastic range books at really good prices. There will be an opportunity for parents to buy books before and after school on that day with all children being able to visit the book bus throughout the day and buy books should they wish to. The more books that are sold, the more books we can earn back for our school library.

## Year 5 parents

Please look out for a letter this week about an exciting opportunity for your child to visit Cherry Garth camp. Details to follow.

## Education Psychologist

We have a Drop in session in the school hall on Friday 8th November between 9 and 10 am. This is for parents to discuss any concerns / get advice. Our Senco and Lead Pastoral lady will also be available during the session.

## Aldi Kit for Schools

Wow! Thanks to all the parents and staff of William Barcroft we have completed 2 full posters for the Aldi Kit for School. Thank you for your support!!!!

## Xmas Dress Up

An early warning this year's theme is 'Santa's Workshop' Elves, Santa's, Mrs Claus, Toys, Reindeers the choice is yours!

## Reading totals

It seems like we've still been on half term this week with our reading! Only 2 classes have reached 100%. All children must read a minimum of three times per week which is still a struggle for some classes. This is our home learning policy READING. There will be lots of reading events coming up in the second half term. If you would like support with helping you and your child with a reading routine at home, please enquire at the office and Miss Emson will be in touch. I think the 'trick or treating' may have 'scared' us from doing our reading! Let's have a huge improvement for next week.
