Meaningful May

Action for Happiness is a movement of people committed to building a happier and more caring society. They release a calendar each month to try and improve wellbeing by completing a different meaningful activity each day. You can download their app for android or iOS using this link: <https://www.actionforhappiness.org/app>

The countdown to Full Term Festival is on with only **46** school days remaining until the summer break. The Headline Act has been announced on Twitter, a fantastic bird display! There are still **244 pupils** with 100% attendance since April who will get a wristband to the festival. Keep up the good work!

Spot the spelling mistake competition.

Every week we will be adding a spelling mistake to the newsletter for the children to spot! Once you've found it, write it on a piece of paper with your name and class and post in box outside the learning mentors room and a winner will be selected for a prize every week!

Year 4 Swimming

For one week it will be on Tuesday 14th May.

**COUCH
TO 5K**

Starting Monday in school, we will be hosting an event aimed at helping the children to get fit.

Three times a week, staff and students will be running progressively longer distances alongside one-another at lunch time to ultimately try and run a full 5K.

Starting Monday please remind your child to bring their trainers!

Please call in the office to sign and pay £10 contribution if you have not already done so.

Coding Club

At WBJs we enjoy sharing our learning and experiences via our Twitter page. Each week there will be a new QR code posted onto the newsletter which will link you to a particular area of our learning. To scan this, all you need to do is download a QR code scanner app.

Scan the following QR code to see what we have been learning in ICT recently!

Sports all Years

Next week each year group will be taking part in an intra-sports competition within their teams.

This will take place at Clee Sports Hall and the children will walk to and from the venue. The children are able to come in their PE kits to school on their day. The children will be back at school for normal lunchtime arrangements. If your child could wear a color which represents the team they are in as well.

Breakfast club

Next week for one week only, breakfast club will not be in the school hall. Instead it will be in Mr Blake's classroom. Please enter via the door outside this room. This is due to the year 6 breakfast club being held in the hall.

Year 4

Living in a Healthy World

As part of year 4 topic we have arranged a trip to Cleethorpes Leisure Centre on Thursday 20th June to experience a range of activities. Please send the signed permission slip and £5 contribution to the school office.

Year 6

After SATs, there will be some extra swimming lessons for certain year 6 children. These will be on some Tuesdays and Thursdays in June.

Reading totals

3S smashed it again this week alongside 5P and 6B with 100% of the class reading 3 or more times. Can we see 100% in most classes by half term? *Remember, 3 reads equate to a purple token and you could win a book as well as earning a book for reading 150 reads!*

Blue Cross

We raised an amazing £435.46 on our Blue Cross day and a big thank you to all the donations that you brought in. The cheque and donations have been collected and will go a long way to supporting sick animals. Thank you!

Collecting children from school

If you usually collect your child from school, it is important that you come to collect from the playground. For safeguarding reasons, we cannot send children out to cars parked in Barnett Place.
