Tuesday 21st July

Break up for Summer

Sports Competitions

In the coming weeks we have entered a number of sports competitions. We have a year 5/6 football tournament at Bradley football development centre and dodgeball competitions at Havelock. Follow wbjsP for updates!

E-Safety

If you're children have access to social media, please can you check the privacy settings to ensure all our children are safe online. If you are unsure of how to do this, feel free to check our Twitter account for support or ask Miss Footitt who is happy to help.

Woodside Trip Year 4

Yesterday, Year 4 visited Woodside Wildlife Park in Lincoln and had a fantastic day! We saw so many different animals including lemurs, crocodiles, red pandas, lynx and Julia the tiger who was rescued from the circus. We were lucky to see the Rangers feeding the penguins and a pack of hungry white wolves! The trip gave us an incredible insight into the dangers of the wild such as deforestation and poaching. We even had the opportunity to get up close to some reptiles! We were able to stroke a bearded dragon, look at a tarantula and even hold a snake! What a way to begin our rainforest topic; with a wild day out!

Uniform

Please remember the uniform is as follows:

Red polo shirt, navy sweatshirt with the school logo, grey or black trousers or skirt. Footwear should be sensible school shoes (**not heels/or trainers**) in black or grey.

Year 4 Important Information.

Please could we ask parents of year 4 to NOT get their children's ears pierced this term as it will stop them being able to do our swimming lessons after half term.

Earrings

Earrings are NOT allowed for PE Please ensure they are removed in the morning at home on your child's PE day.

Topics

Year 3

We are looking at Stone Age, focusing on how humans have changed over time and different settlements. In the last two weeks of term we will be studying Ancient Greeks.

Year 4

We are becoming explorers and heading to the rainforest to see how it impacts our daily life. We will be looking into the habitat of the animals who live there and debating the current environment such as palm oil and deforestation.

Year 5

During our topic of Space, the children will explore the universe and beyond! We will be learning about where gravity comes from, investigate the planets of the solar system and the children will then generate their own lines of enquiry.

Year 6

In topic this term, year 6 will be exploring the time of the Vikings. We will be exploring their life, ways and beliefs through the amazing book Beowulf.

Please ensure your child has their kit in on these days. (including warm clothes for outdoor PE)

Every Day Counts!

Why is good attendance important?

Good attendance and punctuality are vital for success at school, and to establish positive life habits that are necessary for future success.

Through regular attendance, pupils can:

- Build friendships and develop social groups.
 - Develop life skills.
- Engage in essential learning and other school social events.
- Achieve to their full potential.
- Minimise the risk of engaging in anti-social behaviour and becoming victims or perpetrators of crime.

All parents should promote good attendance and work in partnership with their child's school to provide a cohesive approach.
