### Walk to School Week:

WBJs are proud to be taking part in Walk to School Week (20th to 24th May 2019). Walk to School week is a nationwide five-day walking challenge aimed at primary schools. This year the challenge will encourage walking and show how it can benefit the whole community as well as improve individual well-being. Over the five days all we require you to do is walk to school. We will then record how many pupils walked to school each day. WBJs will be competing against other local primary schools to be in with a chance of winning the star prize of £1000 worth of outdoor equipment or some of the other prizes that are on offer, whilst also improving wellbeing by getting active!

If you are unable to walk in to school (perhaps due to the distance from home to school) then park further away from the school and walk the last bit (park and stride) because this will allow your child to still earn their walking reward.

### Spot the spelling mistake competition.

Every week we will be adding a spelling mistake to the newsletter for the children to spot! Once you've found it, write it on a piece of paper with your name and class and post in box outside the learning mentors room and a winner will be selected for a prize every week!

### Year 4 Swimming

Need to bring a t-shirt for swimming next week!

**No construction club next week.**

### Coding

At WBJs we enjoy sharing our learning and experiences via our Twitter page. Each week there will be a new QR code posted onto the newsletter which will link you to a particular area of our learning. To scan this, all you need to do is download a QR code scanner app.

Scan the following QR code to see what we have been learning in Modern Foreign Languages recently!

### Facts on Year 3 Teacher Sophie Follan

1. Favourite children's author: Michael Morpurgo
2. Hobbies: Zumba
3. Pets/children : 2 Guinea pigs Freya & Faith
4. Food: Chicken Enchiladas
5. Subject: History was my Favourite lesson

### Year 3 Wildlife Park Trip

Our topic is all about animals so we will be visiting Doncaster Wildlife Park on the 5<sup>th</sup> June.

Please call in the office to sign and pay £10 contribution before Friday 24<sup>th</sup> May.

### Year 5 Environment Trip

Last week yr 5 went on a trip to Cleethorpes beach to learn about plastic pollution, the water cycle and the Humber River. The children really enjoyed working in their 'beach classroom', finding out about prehistoric forests and badgers on the beach, collecting plastic and making beach sculptures. The weather stayed fine and there was even time for a paddle.

### Beach Clean

Last Friday we took 6 children to the beach and took part in a beach clean-up.

This week, while the year 6 children have been working hard with their SATs, each year group has participated in an amazing tournament at Ladysmith Road Sports Hall. Year 3 have played kickball rounder's, year 4 basketball, year 5 netball and year 6 (today) have played dodgeball. Fun was had by all, and the children really developed their teamwork skills too!

The final deadline for Cherry Garth payments is fast approaching, therefore please can we urge parents to make as many payments as little and often as possible, we want to avoid chasing anyone for large amounts close to the deadline.

In the coming weeks, year 6 will be participating in a few extra events to do with sport. During June, there will be some extra swimming lessons taking place for certain children to ensure that every child leaves school full of confidence in the water. As well as this, during July, year 6 will be taking part in Bikeability to help to improve their road safety. The children will need a roadworthy bike for this, or to hire one for the price of £5.

### Year 6

There will be some extra swimming lessons for certain year 6 children. These will be on some Tuesdays and Thursdays in June.

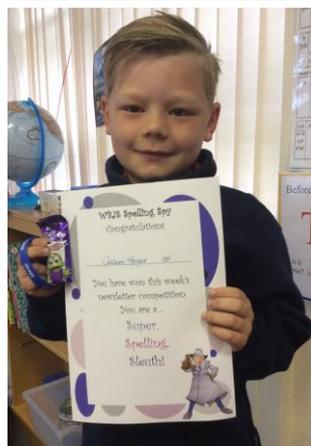

### Reading totals

3S smashed it again this week alongside 4F,5BL,6B and 6S with 100% of the class reading 3 or more times. Can we see 100% in most classes by half term? *Remember, 3 reads equate to a purple token and you could win a book as well as earning a book for reading 150 reads!*

| 3S   | 3J  | 3F  | 4A  | 4F   | 4S  | 4SA | 5B  | 5BL  | 5P  | 5RB | 6B   | 6S   |
|------|-----|-----|-----|------|-----|-----|-----|------|-----|-----|------|------|
| 100% | 85% | 96% | 95% | 100% | 94% | 82% | 70% | 100% | 85% | 90% | 100% | 100% |

### Winner!

Congratulations to Callum who is our Spelling Spy Winner. Don't forget to check the newsletter each Friday - look for the deliberate spelling mistake and post your answer in the post box outside the Woodland Room by Tuesday lunchtime.

### Production Club

Next week will be Tuesday instead of Thursday for one week only. After half term club will be till 5pm.
