News Update 24.1.20

Look out next week for our new exciting termly attendance challenge which will be running from 24th Feb till 22nd May

#Do 1 Thing

Make small changes to reduce your carbon footprint.

Drive less and walk. Taking your car off the road for one day a week can really make a difference. Cars are said to account for 60.7 per cent of total CO2 emissions from road transport in Europe.

Stop buying disposable is it so hard to buy a can instead of a bottle? A study by Earthwatch Europe found that 5.5 billion plastic bottles are littered, incinerated or sent to landfill each year, producing 233,000 tonnes of carbon dioxide equivalent emissions.

Find Your Brave

#ChildrensMentalHealthWeek

3-9th Feb

Bravery comes in all shapes and sizes and is different for everyone. Bravery could be about sharing worries and asking for help when you need it, trying something new or making

the right choices. Think about something you've done where you felt brave. How did it make you feel? Ask your family and friends what they do to Find their Brave - they might have some good ideas you could try!

Children's Mental Health Week

Is now in its sixth year. The theme of this year's Children's Mental Health Week is 'Find your Brave' Life is all about taking small brave steps every day. Bravery could be about sharing worries and asking for help when you need it, trying something new or making the right choices.

Life often throws us challenges. Bravery isn't about coping alone or holding things in. It's about finding positive ways to deal with things that might be difficult, overcoming physical and mental challenges and looking after yourself.

Tuesday Indoor

Please ensure your child has their kit in on these days. (including warm clothes for outdoor PE)

Road Safety/Stranger Danger

The nights are now getting lighter. Please can you remind your children how to stay safe when they're out and about (especially if they are walking to and from school).

Holidays during term time

The school **cannot** be expected to authorise an absence for a holiday during term time.

Taking holidays during term time means that pupils miss important school time – both educationally and for other school activities. It will be difficult for pupils to catch up on work when they return to school. Only in **exceptional circumstances** may a holiday be authorised during term time – this will be decided by the headteacher.

Exceptional circumstances do not involve cheaper costs, family availability or weather conditions.

You can be fined if you take your child on holiday during term time without permission from the headteacher.

Change 4 Life

There is a surprising amount of sugar in popular kids drinks so if you want to cut back this is a great place to start!

Bin Lorry Competition

Last term our children entered the NELC design a recycling poster to have their artwork on the side of the new bin lorry's. We have a Winner Well Done to Oria!
