

News Update 25.04.19 - Year 6

Year 6 SATS

This year SATS week begins on 13th May. The tests will take place every morning Monday - Thursday and as ever, we require your support at home ensuring children are getting a good night's sleep and are up and at school on time. We will again be running a free SATS breakfast club that week.

Celebration activities will be announced to the Year 6 children in due course.

Dates for your Diary

Friday Outdoor

100% Attendance Award for the summer term.

There will be a -

Mini Festival!

Your child needs to attend school every day from 24th April until July 20th to be invited to our Full Term Fest!!!

Sports Award

We are incredibly proud to announce that over the Easter holidays, we have been announced as the winners for the Humberside region of the Yorkshire PE and Sports Premium Awards in the 'Increased Participation in Competitive Sport' category.

Over the last four years, we have gone from entering 2 intra-school sports competitions in the 2014-2015 academic year to eleven so far this academic year. Many of our entries have even included 'B' or 'C' teams - to ensure that as many children get to sample inter-school sport as possible.

We are also running four inter-school year group sports competitions during SATS week, and have held a range of other competitions in school, such as an Easter Orienteering competition.

The winners of the overall Yorkshire Award will be announced at an event held at Pavilions, Harrogate in June. Excitingly, we are able to take three student ambassadors with us to the ceremony, which will also include a meal.

Facts on Year 3 Teaching Assistant Rebecca Redgrift

1. Favourite children's author: C. S Lewis
2. Hobbies: Anything Nails; I enjoy going to the cinema.
3. Pets/children : A son called Owen and cat called Jess.
4. Food: Lasagne or Chinese food.
5. Subject: I loved Art at school but didn't really like French.

Blue Cross

We had a fabulous last day of term before the Easter holidays with all the children looking great in 'Blue'. Mrs Munson in the school kitchen made some delicious biscuits for everyone which proved very popular at break time! All together we raised an amazing £435.46, which along with the donations of food/blankets etc is a really great amount for us to donate to the charity. Thank you all for your lovely generosity. We will be presenting everything to the Blue Cross very soon in an assembly in school.

Year 5 Beach Trip

As part of our Topic Oceans and Rivers we will be visiting Cleethorpes beach to carry out the following workshops.

The Water Cycle

Say NO to plastic/ Recycle

Coastal Walk

Please call in the office to sign the letter and pay £4 contribution if you have not already done so.

Cherry Garth

Just a reminder that the Cherry Garth trip needs to be paid by the **3rd June 2019**. Please try to make small payments as often as possible so that there are no large balances outstanding near to the deadline. A letter has gone out with more details.

Violin

After a great demonstration by Josh England and Joanne Townell, many children have expressed an interest in learning the violin or the cello in a small group lesson. The more children that are interested, the cheaper it will be. If you are interested in your child receiving small group or individual lessons, please ask at the office for a letter and return as soon as possible.

Year 3 Wildlife Park Trip

Our topic is all about animals so we will be visiting Doncaster Wildlife Park on the 5th June.

Please call in the office to sign and pay £10 contribution if you have not already done so.

School Admin Team

We have recently expanded our Admin team and would like to welcome Fiona Scruton to the team! Miss Scruton will be based in the front office along with Mrs Dawson so please say hello when you pop in!

Spot the spelling mistake competition.

Every week we will be adding a spelling mistake to the newsletter for the children to spot! Once you've found it, write it on a piece of paper with your name and class and post in box outside the learning mentors room and a winner will be selected for a prize every week!

Year 3 - Why are animals so important to humans? How are animals and humans similar?

Year 4 - What is healthy living? How can we live an organic life?

Year 5- What is the role of rivers and oceans in our world? How are we impacting our oceans?

Year 6- Evolution: Can we unravel the mystery using facts, theories and religion?

New for 2019:
Remember a loved one with
our Memory Wall
