Online safety conversations

8. "Remember not everything is true online." Help your child to be a critical thinker to find accurate information.

9. "The things other people post online might not always show what their life is really like." Reassure your child that nobody's life is as perfect as it may seem online, and judging yourself against other's online lives isn't a fair comparison.

10. "Recognise how going online makes you feel and take a break when you need to." Your child may need support in doing this, such as timers and reminders.

Book Bus

The Book People are coming to WBJs! The bus will arrive before school on the 13th December and parents will be able to buy books from 8:30 - 9:30 and 3:00 - 4:30pm. Don't worry if you can't make it. The children will be able to go on the bus and have a look at the books and can buy if they bring some money. The book people are very affordable and take various methods of payments. Please look out for poster around school and leaflets have been sent home!

Gaming and loot boxes

Here's a link to a great article from the UK Safer Internet Centre that explains what loot boxes and how they feature in the games children play. Loot boxes are a feature in certain online games that cost 'real world' money.
