

News Update 05.04.19 - Year 6

Year 6 will be bringing home a homework pack to be completed over the holidays. The children are all familiar with the contents of the pack and the idea is the children approach the work a little each day. This is not to be onerous to the children and will support them in keeping the key skills ticking over. Thank you in advance for your support.

Blue Cross day

A huge thank you to all of you for supporting with our blue cross charity day! It was lovely to see all the children wearing blue and bringing in their donations. Also, a huge thank you for all the gifts of blankets and bowls and food that we are also able to donate to the blue cross. The biscuits which were made by the kitchen also went down a treat. The grand total of what has been raised will be announced after half term when all donations have come in.

Facts on Year 5 Learning Mentor: Amanda Regan

1. Favourite children's author: Gerald Durrell
2. Hobbies: I like visiting new places and vintage shops.
3. Pets/children : A gorgeous French bulldog called Napoleon
4. Food: I love all sorts of seafood.
5. Subject: I loved art at school but didn't really like maths.

Easter Bonnet Winners

Learning Mentors Reward Party

Winner!!

Congratulations to Grace Colcomb who is our winner of our Spelling Spy incentive. Don't forget to check the newsletter each Friday - look for the deliberate spelling mistake and post your answer in the post box outside the Woodland Room by Tuesday lunchtime.

Young Minds Matter

As we start to move towards Year 6 SATs, Young Minds have launched advise for parents about supporting their children.

Encourage your child to take revision breaks and find a balance between studying and doing things they find enjoyable and relaxing.

- Make sure they are eating and drinking at regular intervals.
- Reassure them – reinforce that you are and will be proud of them no matter what happens.
- Remain positive and hopeful!
- Let them know their feelings are valid and normal, but also offer support and solutions where possible.
- Anxiety is often worst at night and this means it is useful to encourage good bedtime routine.

Cherry Garth

Just a reminder that the Cherry Garth trip needs to be paid by the 3rd June 2019. Please try to make small payments as often as possible so that there are no large balances outstanding near to the deadline. Thank you.

This week's reading totals

Our final reading totals for the term! A little disappointing with the Y6 total – hopefully, we'll make it up over Easter. After Easter we'll present the average for each class over the term! Well done everyone on your reading this term! There will be a book prize for the child/children that read the most amount of times over the Easter period. This will need to be recorded in your reading record and signed by a parent and verified by your teacher.

After the Easter holidays the children will be embarking on their exciting new topics! As part of our enquiry approach to learning the children will be investigating key aspects of their topic through focused questions.

Year 3 - Why are animals so important to humans? How are animals and humans similar?

Year 4 - What is healthy living? How can we live an organic life?

Year 5- What is the role of rivers and oceans in our world? How are we impacting our oceans?

Year 6- Evolution: Can we unravel the mystery using facts, theories and religion?
