### Cherry Garth

A group of the current year 5's have had a brilliant year 6 transition trip to Cherry Garth this week with Mr Bowden, Ms Burman and Ms Wood.

The children experienced activities such as rock climbing, archery, den building and campfire construction. As well as this, they even pitched their own tents and were an absolute credit to the school throughout. Check out the pictures @WbjsP

### Sports Award Ceremony

We were nominated for a Yorkshire Primary PE and Sports Premium Award by local SGO Craig Dobbs in the 'Increased Participation in Competitive Sport' category. Amazingly, we managed to win this award in the Humberside region, and therefore were invited to send two staff and three children to attend the ceremony to decide the overall winner from the whole Yorkshire region at Pavilions of Harrogate in June. There, we lost-out to Greatwood Community Primary School of Skipton - winners of the North Yorkshire section - but were still bursting with pride to have gotten so far. We were also presented with our regional winner's plaque by former Team GB swimmer James Curtain!

### KEEPING CHILDREN SAFE DURING THE HOLIDAYS

#### In The Home Online:

Make sure you have installed parental controls on all your internet devices. Talk to a child about what is ok to share on social media and what is NOT ok to share. Check their internet use regularly, including looking at new apps they install.

### Sundresses, Shorts and Smiles

Last day of term enjoying each other's company with a band, outdoor food and saying Happy 80th Birthday to Knitting Nanna.

### Reading totals

As we are in the final term, it's really important that we return books swiftly and not hold multiple books at home. Please ensure your child brings in any books they have that they have read and are not currently using. The reading totals have taken a bit of a hit in recent weeks which is usually the case in the summer term as there is always lots of things going on. However, reading is the only thing we require our children to do as part of their home learning and we only expect a minimum of 3 reads. It really is imperative we maintain this – the more a child reads the more they can access the wider curriculum. Next week, we'll look at some statistics around reading. Keep it going – a few weeks left!
