

## News Update 7.6.19

We have **32** school days left of the summer term and still 206 children with 100% attendance for our Barcroft Summer Festival, what a fantastic achievement. Being in school every day really helps children learn, progress and enjoy all aspects of school life.

### SHINE

Some of our year 6 children have been given the opportunity to attend York University to see what it is like. This is a fabulous opportunity for the children to see what is on offer beyond school and we have been lucky to have been given places once again. All the children who are going know who they are. Please ensure your child is prompt at arriving at school as the bus will leave at 7:45 am. Thank you.

### School Trip

This week Year 3 had an amazing time at Yorkshire Wildlife Park. They saw so many fantastic creatures including lions, baboons, giraffes and polar bears to name just a few. They all took part in the 'Amazing Animals' workshop where they saw giant African snails and huge cockroaches which the park breeds themselves. There was so much fun to be had and many memories made!

### Online Gaming

Follow the link to read an interesting article about children's use of online games. It contains useful tips and suggestions about children's gaming habits.

### Bike-ability Year 6

#### Week Beginning 8<sup>th</sup> July 2019

To help to improve their road safety, the children will need a roadworthy bike for this and helmet, or to hire one for the price of £5.

### Young Minds Matter

On Friday 14th June at 9am Young Minds Matter will be delivering a free and informal workshop to parents and carers to raise awareness of Mental Health in children and young people. The workshop will raise awareness of signs and symptoms, strategies to improve wellbeing and an opportunity to ask questions. We would really like to see as many of our parents/ carers at the workshop as possible, please speak to Mrs Dawson in the office to confirm your attendance as places are limited. Refreshments will be provided.

At WBJS we enjoy sharing our learning and experiences via our Twitter page. Each week there will be a new QR code posted onto the newsletter which will link you to a particular area of our learning. To scan this, all you need to do is download a QR code scanner app.

### RE

Thank you so much to all the parents who came into school this week where the children had the opportunity to teach their parents about Eid and join in an activity.

Year 3 will be hosting their RE sharing time later in the term and the date will be confirmed in the next few weeks so please keep a look out for this date on the newsletter.

Keep a look out for a very special message for fathers, grandads and guardians in the Grimsby Telegraph special supplement on Saturday 15th June. We have been busy creating greetings ready for Father's Day 2019.

## Reading totals

As we are now on to our final term for the year, it would be a shame to see all the hard work that has been put in up to now for all those children achieving three reads or more every week to dwindle. It really is important we keep reading as many times as we can over the course of a week. Remember, this can be anything - even the local newspaper. We want reading to be pleasurable for you and your child. If you are experiencing issues at home around reading with your child and would like some support, please let us know.

### Guess the Staff Member!

Our new competition! Answers on a piece of paper in the box outside Woodland room before Tuesday lunchtime.

- A: Mrs Stokes
- B: Mrs Stark
- C: Mrs Shearer

### Clubs

Please ensure that if your child is in an after school club that they are collected on time. This is currently causing issues in school as coaches need to leave the school at the end of their sessions and children have not been picked up. Repeated lateness will unfortunately mean that your child will no longer be allowed to attend.
